Dog Off Lead Permission

Although it is always safer to keep dogs on leads we would prefer your authorisation to walk your dog(s) off lead, when safe to do so, to enable them to get the exercise and playtime they need and deserve.

Even when we have your permission, we demand that all our pet carers only let dogs off the lead in a safe environment and when they feel they have a strong bond with the dog(s) and they will sufficiently obey commands.

In the unlikely event of the loss of any dog(s) we will notify you, your emergency contact (if needed), your vet and the relevant authorities that your pet is missing from a walk.

You agree that Happy Pet Taxi will not be held liable for the loss of dog(s) whilst walked off the lead.

Cat Flap Disclaimer

Although it is always safer to keep cats indoors during their owner's absence, we appreciate that this is not for everyone and as you are aware of the risks, we will care for your cat(s) while he/she has access to a cat flap. We will not be held responsible for any loss of pets who have access to an open cat flap. In the event of your pet going missing, we will continue to provide care visits for your cats until you return. We will notify your emergency contact, your vet and the relevant authorities that your pet is missing from home

WhatsApp Updates

We can create a WhatsApp group for images and messages after every visit with your pet(s). This group contains Happy Pet Taxi and your allocated carer(s). Please indicate who you would like added to this group.
